**Don't Waste Your Money & Time In Seeing A Meaningless Rubbish Movie!.**

22 February 2014 | by [handsome107](#) (United States) - [See all my reviews](#)

All The Excessive Advertisement & Over-rating Will Not Save The Movie From Being Categorized As A Meaningless Rubbish Movie. Hyper Porno Is The Main Reason Why This Movie Is A Total Useless Trash. Watching Porn Is Better Than Watching This Silly Unrated Hardcore!.

"Nymphomaniac - Volume I" is a Trash movie about a fallen woman Joe who is born a nymphomaniac whore (Fancy That) and since her childhood she has been a dirty slut.In her teenage ( as a minor) she loves masturbation and she seduces her boyfriend to rape her and finger her vagina.

When She Grows As An Adult ,Joe Gives a blow job to almost every man,worse than a porno star!.Furthermore,she loves to have Lesbian Sex with other woman and adores the male body and always seducing every man!.

The Worst Of All is that she marries and never repent from evil doing (receiving anal and oral sex from several men she fancies).

SHAME ON THAT INSATIABLE WHORE & SHAME ON THE MAKERS OF THIS SHAMELESS PORNO MOVIE!.
